Churches join in vaccination efforts as clinic sites

United Methodist churches in the Baltimore-Washington Conference are serving as pivotal partners with federal, local, and state agencies in efforts to provide COVID-19 vaccinations to as many people as possible.

TONIGHT: Doctors and nurses familiar with the vaccine will come together to answer your questions and share their own experiences. Hosted by Epworth UMC, you can join the webinar in two ways: via their worship link on www.epworthunited.org or by [clicking here](#). Meeting ID: 756 284 167; Passcode: 20877 (see flyer at right).

The BWC Mission Center will serve as a Howard County vaccination site on May 13 and June 10, from 3 to 5 pm. Walk-up appointments are welcome, no pre-registration is necessary, and vaccinations will be offered in cars for those who are in need of those services.

DO YOU HAVE QUESTIONS ABOUT THE COVID-19 VACCINE? ARE YOU DECIDING IF YOU WANT TO TAKE IT?

Doctors and nurses specialized in the subject of vaccines, will be answering all your questions and sharing their own experience
