

Support Our Mission with eGiving & other Options

Colesville United Methodist Church offers a number of giving options, including eGiving tools for use by its Members and Visitors. The following options are available, in addition to the traditional method of sending checks by mail.

Consider Giving Online

We offer online giving by debit or credit card or via direct debit from your checking or savings account (ACH). This allows you to make a one-time contribution or to setup for recurring giving at periodic intervals.

The process is simple:

1. Visit the church's website at: cumc.org
2. Locate the "Online Giving" tab towards the top right-hand side
3. Donate by following the instructions under the heading "Online Donation."

Giving with a Mobile APP

Use your mobile phone to support our church mission in just 3 steps:

1. Download the free **GivePlus Mobile App** by VANCO (from the Google or Apple App store)
2. Find our church's Zip Code [20904]
3. Make a one-time or recurring donation using your debit/credit card or your checking/savings account.

BillPay Option

Find out from your Bank if it offers the "BillPay" option. If so, the Bank can set up a system to make a payment to the church, based on your request. An electronic check is usually generated by the Bank and sent to the church via USPS. Many banks offer this as a nominal fee or free service.

Send your Check by Mail

You can mail a check directly to CUMC. Checks should be made payable to Colesville United Methodist Church and addressed to:

Colesville United Methodist Church
52 Randolph Road
Silver Spring, MD 20904

The mail will be picked up daily.
